LOS AVELLANERS TEAM

José is 10 years old. He likes sports, but the sport he loves the most is basketball. He is in his school **basketball team**; their name is "The Avellaners." The team is composed of 5 members; They are Juan, Pedro, Pablo, Francisco, and José. They are a very good team, and they are all friends.

They **practice** for one hour, three days a week after school, Monday, Wednesday, and Friday. As they are friends, on Saturdays they join at the house of one of them for **having fun**. They like to play ping-pong, eat some healthy snacks like fruits or natural juice, and spend time together.

Also, on Sundays, they like going to **run** for being healthy. They run in the morning for 30 minutes, **rest** 10 minutes, and continue running for 30 minutes more.

"The Avellaners" are very good at **playing basket**; they usually win the **games**. They have 10 **championships cups**. José is very happy because he does what he loves, and has good friends.
