Hello. My name is Natalia. I'm twelve years old and I live in London. I have a big family: I live with my parents and my twin sisters Daniela and Javiera. Everybody thinks we have the traditional English breakfast: fried bread, sausages, bacon and eggs, tomatoes, baked beans and mushrooms, but there is no time, of course! We usually have a glass of milk with bread and butter or cereals like corn flakes. I prefer my cereals with yoghurt. I have a snack in the morning: always a piece of fruit.

I have lunch at about one o'clock. My favorite food is spaghetti with meat balls and a fresh glass of orange juice. I don't like rice. For dessert

I love vanilla ice cream. In the afternoon I normally eat a cheese sandwich. At about half past eight we have dinner. We always eat soup.

I like vegetable soup very much. We often have fish and salad.

After dinner we like to watch "Matilda Ramsay" or "MasterChef" on TV. Before I go to bed, I like to drink hot chocolate. My parents prefer drinking tea.
